

Lisa Wade

Catalyst for Courageous and Conscious
Leadership + Communication

SPEAKER | AUTHOR | PODCAST HOST | EXECUTIVE CONSULTANT & COACH

Speaking Topics Include:

From Crazy to Courageous: Reimagining Spiritual Awakening

To trust the strength of the heart and the wisdom of the soul is neither weak nor crazy, it's a path to greater freedom that requires courage. By reimagining spiritual awakening, this talk inspires audiences to access the wisdom and strength of their whole self—body, mind, heart, soul—and to empower others to do the same.

The Art of Soulful Service

Serving others can be both wildly rewarding and completely exhausting. Rather than succumb to burnout or frustration, Lisa urges audiences to embrace the call for Soulful Service from her book *Real. Big. Love.* to supercharge their difference-making and bring more meaning and well-being into their life and service.

The Spreadsheet and the Pendulum in Relationship & Life

When an Excel-loving engineer and a pendulum-swinging mystic reconnect after 33 years, they forge a new blueprint for joint fulfillment, joy, wonder, and practical success. Learn insights to appreciate differences, honor divergent decision-making styles, and forge deeper respect and intimacy through real communication.

Courageous and Conscious Leadership

Leadership is changing. To succeed in this new era requires honing different skills and abilities. Fortunately, you already have inside you all the leadership tools you need. In this talk, Lisa guides you to be aware of, access, trust, and have the courage to use your full inner wisdom to make your meaningful contribution and empower others.

Lisa's first book *Real. Big. Love. A Difference Maker's Guide to Gain Greater Clarity, Energy and Impact for Your Cause and Life* offers authentic, bold and consistent, and Love-based perspectives to help you shift from feeling overwhelmed and exhausted to optimistic and energized while making your unique contribution in the world.

About Lisa:

Lisa Wade inspires audiences through down-to-Earth connection, deep insights, and relatable humor.

She founded Golden Energy Leadership to empower purpose-driven leaders and organizations to confidently harness their personal energy, communication skills, and intuitive gifts to make their most meaningful contribution. International speaker, author, and Dirt Road Divinity podcast host, Lisa guides others toward joy, connection, and service through intuitive leadership.

Her career has spanned a wide path from political, advocacy, and communication professional in Washington, D.C. to nonprofit executive, BoardSource-trained nonprofit consultant, community activist, and college instructor. She has offered communication and advocacy counsel to U.S. Senators and Representatives, national nonprofit execs, authors, thought leaders, athletes, and film producers, and she has worked extensively with media around the world.

Testimonials

"Lisa Wade is a powerhouse speaker who combines colorful story-telling with inspirational new ways to think about spirituality and the knowing. Her ability to bring you in and make you think differently is warm and inviting and I would hire Lisa in a heartbeat."

~ Tricia Brouk, International Award Winning Director,
Founder of The Big Talk Academy

"Lisa Wade is funny, engaging and a joy to hear speak. Her stage presence brings an energy to the audience that they did not come with. It was pure joy to have had Lisa share the MoMondays stage."

~ Fiona Barr, producer of MoMondays Niagara Falls
